Windsor™ 412

Description

The Windsor 412 is a heavy duty loudspeaker cabinet designed to complement the Windsor head and a wide variety of guitar amplifier heads and combos with external speaker capabilities. It is available in both straight and slant versions and loaded with four front-loaded, custom-built 12" Supreme XL speakers.

The Windsor 412 emphasizes the low-end response of your amp while maintaining a versatile balance of mids and highs to provide an array of awe-inspiring clean and distorted tones.
